

### **Callfor Participation**

We invite you to join us in **4<sup>th</sup> International conference on AI, Machine Learning in Communications and Networks (AIMLNET 2024)**.

The Conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Artificial Intelligence, Machine Learning impacts on Communications and Networks. The Conference looks for significant contributions to all major fields of the Artificial Intelligence, Machine Learning and networks in theoretical and practical aspects. The aim of the Conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

### **Highlights of AIMLNET 2024 includes:**

- 10<sup>th</sup> International Conference of Managing Value and Supply Chains (MaVaS 2024)
- 10<sup>th</sup> International Conference on Artificial Intelligence and Applications (AI 2024)
- 10<sup>th</sup>International Conference on Bioinformatics & Biosciences (BIOS 2024)
- 10<sup>th</sup> International Conference on Networks, Mobile Communications and Telematics (NMOCT 2024)
- 10<sup>th</sup> International Conference on Signal and Image Processing (SIGI 2024)
- 10<sup>th</sup>International Conference on Computer Science and Information Technology (CSTY 2024)
- 4<sup>th</sup> International Conference on Big Data, IOT & NLP (BINLP 2024)

### **RegistrationParticipants**

Non-Author/Co-Author/SimpleParticipants(NoPaper)

**100 USD for Online (Without Proceedings)**

**300 USD for Face to Face (With Proceedings)**
