

Callfor Participation

We invite you to join us in **10thInternational Conference of Managing Value and Supply Chains (MaVaS 2024)**.

This conference is a peer-reviewed forum for presenting articles that contribute new results in all areas of value and supply chain management. The conference provides a platform to disseminate new ideas and new research, advance theories, and propagate best practices in the management of value and supply chain management, looking across both product and service-based businesses.

This will include works based in service management, logistics and distribution, operations management, process management, flow control, and customer service. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the areas of value and supply chain management.

Highlightsof MAVAS 2024 includes:

- 10th International Conference on Computer Science and Information Technology (CSTY 2024)
- 10th International Conference on Artificial Intelligence and Applications (AI 2024)
- 10th International Conference on Bioinformatics & Biosciences (BIOS 2024)
- 10th International Conference on Networks, Mobile Communications and Telematics (NMOCT 2024)
